

# June Butterfly Craft Bag

## Supplies Included

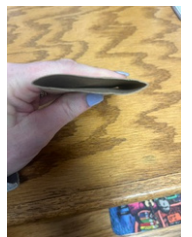

- Paper Roll
- Butterfly Template
- Pipe Cleaner
- Skewer (optional to use)

## Supplies Needed

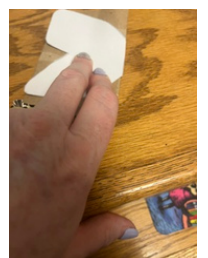

- Paint, Stickers, Markers, Etc (Optional)
- Stapler w/staples
- Glue
- Pencil
- Scissors

## Directions:

1. Fold the Paper Roll in Half

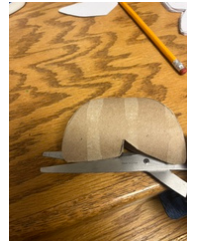

2. Align the center against one of the folded edges

3. With the pencil trace the template onto the Paper Roll

4. Cut the roll along the traced line, If the “wing” side went over the second edge cut the edge on the fold.

5. Unfold the Paper roll and decorate as you wish

6. Re-fold the butterfly in the opposite direction of the original fold

7. Glue the Skewer on the fold

8. Staple around the skewer and allow to dry

9. Take Pipe Cleaner and wrap around the center and twist to make head and antenna and trim if needed.

10. You now have your very own Paper Roll Butterfly.
